

# Kindergarten Kiddos Newsletter

## August 29 - September 2

### Welcome to Kindergarten!

This is an example of the Kindergarten newsletter that will be sent home with your child on the first instructional day of each week. Please thoroughly read it as this will be a very important form of teacher/parent communication. This newsletter also contains standards, a Venture calendar that will inform you when your child has PE, Art, Music, Library, and Science. Homework will also be attached to the newsletter. Most homework will be a review of standards and can be completed with parent support. The homework and reading logs are due every Friday.
